Helping to Meet the Needs of the Community

Gradually, the clinic has convened a team of mental health and AODA independent practitioners, whose ethnic and academic backgrounds are diverse in disciplines and broad in expertise to serve the needs of the community. These include psychiatrists, psychologists, psychotherapists, AODA counselors, case aides, parenting assistants, and interpreters.

Mission Statement

Sebastian Family Psychology Practice, LLC actively strives for a coordinated progressive delivery of competent clinical behavioral health services to a diverse clientele served by a multicultural and multi-specialty staff. Best practices will be drawn from advanced knowledge in psychiatry, psychology, social work, and other allied sciences that promote total health and wellness.

Vision Statement

Sebastian Family Psychology Practice, LLC envisions itself as evolving into a vibrant, progressive, outcomes-oriented outpatient behavioral health clinic in the Metro Milwaukee area. The clientele are drawn from various ethnic backgrounds, including refugees and immigrants. The clinic aims at positively participating in nurturing the transformation, healing and empowerment process of individual and family lives entrusted to our care.
